**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We live in a rural community and local broadband providers are critical for our work, business and home . Our daughters and their friends need local broadband providers for school projects and homework in order to be competitive with their education.

We don't support massive broadband price hikes or the current petition before the FCC.
